The Secretary,
Parliamentary Board Department,
All India Congress Committee,
No.7, Jantar Mantar Road, New Delhi.

Sir,

Land Tenures - (South Kanara) - Eviction of tenants by landlords - Prevention of - Request for the issue of a 'Stay Ordinance

Your letter No. P.B. 8557, dated 17-4-1951.

I am directed to state that this Govt. have also been receiving for some time past several representations and telegrams from tenants' organisations in South Kanara alleging large scale eviction by landlords. From the reports received from the Collector of South Kanara and the Board of Revenue, the Govt., however, find that evictions have not been taking place in the district on such a large scale as to justify the enactment of an interim legislation staying such evictions. The matter is under further investigation and if the result of it indicates the need for an interim legislation the Govt. will not hesitate to undertake it.

2. Apart from the question of interim legislation, the question of undertaking reforms in the system of land tenures in the ryotwari areas of the State so as to improve the lot of the cultivating tenant and to regulate his relationship with the landlord in matters relating to fair rent, security of tenure etc., has been engaging the attention of the Govt. In May 1950, this Govt. constituted a Committee called the L.R.R. Committee to advise them, among other things, on matters relating to land tenure and land revenue. The Committee has since submitted two reports - one on land tenures and the other on land revenue. The Committee's report on land tenures is being examined and this Govt. propose to undertake in due course

the necessary legislation in pursuance of its recommendations.

Please see the letter cyclostyled from the A.I.C.C. & enclosures with it (A number of copies of the telegrams appended to the letter have been received by this ~~Department~~ Committee from other also.

2. The agitation that in view of the large-scale eviction of tenants in certain talukas of South Kanara district some interim legislation protecting the tenants' interests should be enacted has been going on for some months past in the S. Kanara district & a number of representations have been received from the Kisan Sangas in that Dt. In December 1950 the Board of the Collector of South Kanara, to whom the question had been referred for remarks, reported that the number of eviction suits in 1949 was 113 & that in 1950 was 111 that the position was not so bad as depicted & that therefore there was no need for any interim legislation. In February 1951 H.C.M toured the district when the Socialist Party of S. Kanara Dt & certain other Kisan Organisations presented a memorandum: this memorandum was examined in this Deptt & the whole question discussed by H.M.(R.R.) with H.C.M. It was decided that ~~the~~ no interim legislation was necessary pending examination & implementation of the L.R.R.C.'s recommendations in that behalf. The connected files with all relevant papers have been submitted to H.M.(Agri.) through H.M.(R.R.) for use in connection with his tour of S. Kanara next week. A reply may be sent to the A.I.C.C. after H.M.(Agri.) returns from tour & the papers become available. Perhaps a more useful reply to the A.I.C.C. can be given after H.M.(Agri.)'s tour is over & the results ~~are~~ known

over of the remarks on the conditions ~~of~~ ~~which~~
~~finish~~ in that Dt. become available.

3. This may be submitted to HM(RR) for perusal in the meantime.
